BMA Capital awarded The Best Broker Money Market by the FMA Brokers Survey 2018

Karachi, Pakistan, April 30, 2018: BMA Capital Management Limited (BMA Capital) continued its impressive showing in Pakistan's Fixed Income & Foreign Exchange (FX) inter-bank market besides its equity brokerage business. In the 2018 FMA survey, BMA Capital has been awarded the prestigious 'Best Broker Money Market - 2017'. FMAP is the professional body of Money Market & Foreign Exchange dealers of banks, financial institutions and brokerage houses in Pakistan. The FMA survey is considered the gold standard of gauging performance in Pakistan's Inter-Bank Money and FX markets.

BMA Capital's Treasury Operations (Money Market and Foreign Exchange desks) has a longstanding presence in the industry since 1992 when it pioneered corporate Fixed Income and Forex brokerage operations in Pakistan. BMA Capital is also privileged to have the largest number of financial institutions associated as clients. It provides comprehensive services in trading of fixed income instruments (PIBs, T-Bills, TFCs and corporate bonds) and currency. It is focused on driving reformed and transparent processes and expertise to help corporate customers and institutions control risks, capture opportunity and trade efficiently and reliably – all supported by deep market insight. Its ongoing commitment enables BMA to ensure liquidity and competitive pricing across the markets in which it operates.

BMA Capital remains a market leader in both Pakistan's fixed income and equity brokerage markets, having an increasing foot print domestically through its branch network in all the major cities of Pakistan and a very strong relationship with Foreign & Domestic Institutions.
